This Abstract of Assessments and Levies brochure is compiled for your information by the Teller County Assessor's Office.

The office of the Assessor is established under Section 8 Article XIV of the Colorado Constitution. The Assessor's role is to discover, list, classify and value all property in the county. The job and role of the Assessor's office is specified by the Colorado Constitution and Colorado Statutes. The Assessor does not set tax amounts, or levies. Teller County Tax is levied by the County Board of Commissioners, City taxes are levied by City Officials, Special Districts are levied by District Directors, and School Tax is levied by the District Boards. The Teller County Commissioners then certify the levies and resulting revenue to the Assessor. As a result, the Assessor then generates the Tax Roll for the County Treasurer.

It is your Assessor's duty to value all taxable property within Teller County. Values reported on your Notice of Value (NOV's) are subject to an annual third-party audit as ordered by the Colorado General Assembly. The Auditor determines if properties in the county are valued according to procedures and formulas established by Colorado law. Should the Assessor not be in full compliance with Colorado law, the State Board of Equalization (SBOE) shall order a reappraisal performed at the expense of the county. In addition to the reappraisal, excess payments made by the State to the School Districts must be repaid plus interest. To date, your Assessor's Office has passed every annual audit and all special audits without generating additional expense to the taxpayer.

Your Assessor's Office is happy to answer your questions and provide assistance pertaining to property valuation and title conveyance at any time during our office hours (8:00AM-4:30PM) Monday through Friday. If you have any questions at all, please do not hesitate to ask.
