

## **El Paso and Teller County Sheriff's Announce Coalition to Support HB 24-1128**

Earlier this month, Sheriff Joseph Roybal of El Paso County and Sheriff Jason Mikesell of Teller County formed a coalition of Sheriffs across Colorado supporting HB 24-1128. HB 24-1128 is legislation aimed at reversing previously passed legislation, specifically HB 19-1124 and HB 23-1100.

Combined, these bills prevent Colorado law enforcement agencies, such as the El Paso County Sheriff's Office, from working with federal partners, such as ICE (U.S. Customs and Immigration Enforcement), to uphold the laws of the constitution, and collaborate efforts to arrest, detain, and deport undocumented, residents.

### **In Summary:**

#### **HB 19-1124**

-Prohibits Colorado LEAs from arresting or detaining an individual based on a civil immigration detainer request from ICE or any other requesting agency.

#### **HB 23-1100**

-Prohibits local government entities from entering into agreements for the detention of individuals in an immigration detention facility owned/operated by a private entity;  
-Prohibits local government entities from selling any property for the purpose of establishing in an immigration detention facility owned/operated by a private entity;  
-Prohibits local government entities from entering into agreements to house or detain individuals for federal immigration purposes;  
-Requires local government entities to terminate any existing agreements for the purpose of housing or detaining individuals for federal immigration purposes.

*“On Thursday, we plan to make our voices heard and stand up for the autonomy local governments should, by law, uphold. The State of Colorado has no business forcing partisan politics onto local governments, including Sheriff’s offices.*

*“As Sheriffs duly elected by the citizens of our counties, we know what is best for public safety for the communities we call home.*

*“Together, we will work to ensure law enforcement in Colorado may perform their duties to protect citizens without unconstitutional government overreach or obstruction. Ultimately, our goal is to make our community safer for families and businesses.*

*“Thank you to everyone who has endorsed this critical legislation, and thank you to the bill sponsors, Representative Holtorf and Senator Baisley, for addressing government overreach.*

*“We strongly encourage all citizens of El Paso and Teller County to contact their representatives in the Colorado legislature and ask them to support HB 24-1128.”*
