NOTICE REGARDING A SEXUALLY VIOLENT PREDATOR

Pursuant to Colorado Revised Statutes 16-13-901 through 16-13-905, this information is being provided concerning the release of a Sexually Violent Predator (SVP), into this community. The goal of this information is to enhance public safety and protection.

VIGILANTISM, OR USE OF THIS INFORMATION TO HARASS, THREATEN, OR INTIMIDATE ANY OF THE FOLLOWING PEOPLE IS CRIMINAL BEHAVIOR AND WILL NOT BE TOLERATED: THE OFFENDER; THE OFFENDER'S SIGNIFICANT OTHERS; AND THE COMMUNITY NOTIFICATION TEAM.

The individual subject of the notification has been convicted of a sex offense that requires law enforcement registration. Further, they have been determined to present a high potential to re-offend and are therefore subject to community notification regarding their residence in this community.

The Teller County Sheriff's Office has no legal authority to direct where a sex offender may live. Unless court restrictions exist, they are constitutionally free to live wherever they choose. Sex offenders have always lived in our communities, but they were not required to notify law enforcement of their residence until registration laws were implemented pursuant to the Jacob Wetterling Act in 1994. Law enforcement may now share that information with members of their communities, and in the case of Sexually Violent Predators, law enforcement must actively notify citizens.

Due to the mature content of the information, it is advised that an adult view the material presented and then share with any children, if deemed appropriate. To find out information on the sexually violent predator in your neighborhood the information is available on the following:
